GM Note's

Run: 2465

Date: 9 May 2019

Hare: Bommy

Runsite: Lembah Permai, shoplots

The rain, relentless since Tuesday had not abated for the last two days making the terrain soft, mushy and very slippery! As we set off to help set the run on Thursday afternoon, the rain that had been again pounding down since morning, suddenly decided to take a break and with that we set off.

Everywhere the soft rain sodden soil gave way as we struggled to climb even the slightest of gradients. The mosquitoes swarmed and settled on any and all exposed skin whenever we stopped for a breather.

Every step up seemed to coincide with two steps down in the sliding mud. On we struggled, making slow progress until we reached the top of the ridge.

Recuperating a little as we walked along the ridge and then on the Hash Highway it was a matter of fact that we would be going down soon. Once again the On Down trail was wet and slippery. We returned to the runsite by 4.30pm as the heavens threatened to open again.

On returning to the runsite in the evening I saw a lone figure sitting under an umbrella in an open corner near Cheers. On closer inspection and to my surprise it was Money Manfred but with a heefer of ginger hair!! Whatever oil he must be using seems to have worked wonders!!

Hashers started to return as the early starters Viking and Botak Chin emerged muddy from the trail. The FRBs returned and the slower ones took their time. The last out (but also the last to start) was Pukka Sahib having followed paper for once and ended back at the run site instead of heading to Balik Pulau.

Food was served comprising of Bee Hoon, chicken balls in sweet chilli sauce, fried wontons and potatoes with plenty to go around two and three times. Biking Sheila had made a coffee cake and that disappeared quickly too. The Hare had subsidised the beer which was flowing well and then we had a quick circle as the rain looked threatening once again. Many thanks to Bommy for his virgin hosting and great generosity! It was a good evening and the rain held off until late when most had gone home. We'll see you on your return in June, Bommy. Have a great trip.

Circle

1. We had three guests on the night: Moira @ Period, Jennifer and Eric @ Bananaman who have run with us many times before.
2. The GM then introduced the new HAIRY Money to everyone. Even Samy did a double take when he first arrived thinking it was a new person at first.

3. As Biking Sheila was heading off to Oz for the next couple of months the Committee decided to celebrate the May birthdays early this time. Viking and Biking Sheila had the honour of blowing out the candles but we wish a **HAPPY BIRTHDAY** to all our May born members.

4. Ronnie Tour was in attendance during the evening and was seen chatting with all his old friends and with the new lady members too. He was introduced to Judy at some point and he promised to sing her a love song. So he created a CFTF and put Snatch and Grab on the ice to sing to her!!

5. The GM then called out Kendra to sit on the Ice Throne (not the Iron Throne). Kendra is a new member but has had to dash off quickly in the past. The GM wanted to introduce her to the gathered members. So welcome to the Club Kendra.

6. Hare on Ice!! Many thanks to Bommy for this his virgin hosting of a Harriets run. The run was naturally set by himself + some co-hares and was good but slippery. The food was great and plentiful and many thanks for subsidizing the beer.

Funnies

Running naked is awkward and it hurts to have your privates flapping about everywhere. Is that the real reason why people invented underwear?

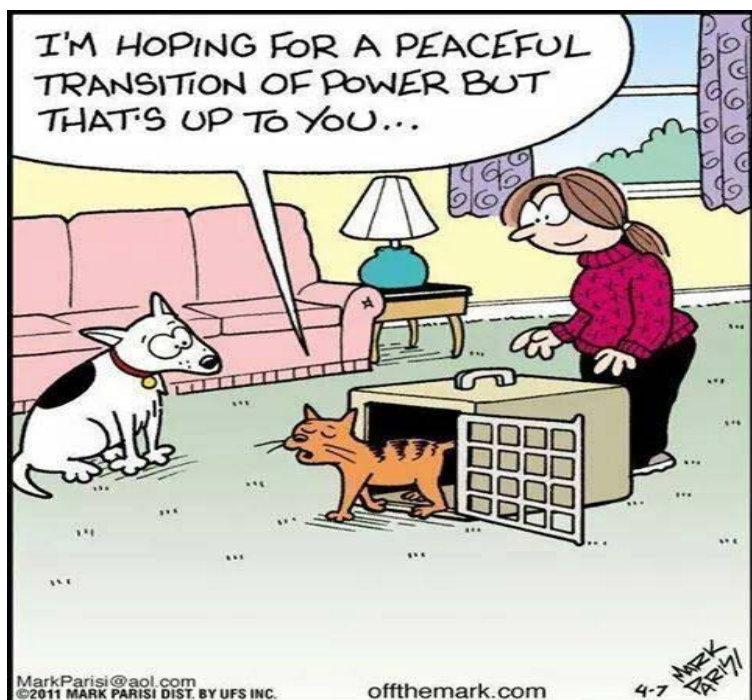

Maybe Batman fights crime only at nights because if he did it during the day, he'd get funny tan lines in the face?

I'm ready to bet that dinosaurs were similar to dogs. The huge ones were calm and relaxed while the small ones were the yappy, snappy little bastards.

Every day, some unsuspecting person does the biggest poop on Earth for that day.

Is the salary that I get a bribe to forget my dreams?

Does my dog take me for a hypocrite because I crap in the house?
