Run: 2487

Date: 10 October 2019

Hare: Sayor

Runsite: Jalan Ketitir

Taman Pekaka or Jalan Ketitir is the home to many, many runs which we have done in the past when it was nothing but a wasteland. Nowadays it is a residential area with residents who have to put up with Hikers, Hashers and Wanderers using the many pathways leading up to Bukit Jambul.

Over the years the reputation of the Hashers has left a sour taste in the residents' mouths because of their behaviour and disrespect to the surroundings. We have slowly been trying to patch up that relationship to enable us to continue running from there but last Thursday evening has undone all the hard work put in so far with the residents!!!

Hash House Harriets Penang

When I arrived at 5.30pm the host, Sayor, was with the run setters who were relaxing with food and drinks having just returned. As 6pm drew nearer the number of hashers increased and the ever generous host welcomed all. When they had left for the run he then went to get the food giving Samy instructions for the beer to be subsidized.

It was a short run on track as requested by the Host and many returned by 6.45pm except for Silentman and Flying Duck. With the beer flowing and food aplenty it was a party-like atmosphere.

We had the circle by 8pm as the threat of rain was in the air. It was a lively circle and the rest of the evening was most enjoyable. Members started to move off throughout the evening and most had left by 9.30pm with the exception of a select few and friends of the Hare.

It then started to rain and so I left around 10pm with everything seemingly under control but the party was still going and more people were arriving. You can imagine the shock the next morning when I received a phone call from the leader of the hiking group, who use that area as a base, complaining of the rubbish and beer bottles left behind as well as the disarray of the runsite and he sent photos to prove the fact! I naturally had to apologise to him and said I would find out what happened after I left the previous evening.

This is not what Harriets or any Hashers do!! We keep our run sites clean and tidy so that we are welcomed back or at least we should not have the finger pointed at us for making a mess and leaving it for others to clean up!

Although it is the responsibility of the host to ensure the place is left clean and tidy we ALL have a duty to ensure that it is so by discarding our rubbish properly and helping to maintain a clean environment.

By Friday evening I was getting calls and complaints from other Hash Chapters regarding this matter, all asking why the Harriets had left the place in such a mess to which I have no answer as I was not there at the end of the evening. However I do say this: I hope that it NEVER happens again!!!

Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.

Circle

1. We had one guest this week, Hasha. She has perhaps only one more run with us before she leaves Penang so we hope she can make it. If not Bon Voyage and we hope to see you again in the future.
2. A charge from the GM then saw Hasha back on the ice. Apparently the GM and Hasha were sitting on a bench chatting but then Hasha would not get up until the GM did so first. The reason?? She thought the bench might tip over if the GM was still sitting there!!!
3. Sagar was next on ice. Firstly as an introduction to all since he is a member. Secondly for going MIA after joining!!

Hash House Harriets Penang

4. A CFTF by Fancy Pants saw the GM on ice. The charge was for not doing the set run but doing her own run in the afternoon!!
5. The Co-hares were next as an acknowledgement for setting a good but short run as the Hare was busy cooking at home!!
6. A CFTF by someone then saw Take Care on ice. He had been calling for iced water for all the charges and so he got his reward by having the container of water poured over him.

7. Hare on ice! Thank you Saylor for the evening's hosting. It was a good run, great food, whisky and subsidized beer.

Funnies

I got my boyfriend a “Get better soon” card.

He’s not ill or anything, but he could definitely get better.

We had a party in the office yesterday. As the evening progressed, a rather overweight male coworker of mine decided to dance on the table. I remarked: “Wow, really impressive legs!”

He blushed and asked if I really meant it. “Absolutely, Peter! An average table would have collapsed by now!”

A guy walks into a pharmacy: “I have extreme headaches, my belly cramps, I feel like I’m about to vomit and my back hurts like something tears the muscles apart. Do you have something?”

Pharmacists: “Nope, I feel fine.”

Lin Khay Chinese School, Sri Astana, (Off Eastern By-Pass Sungai Petani)

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. *(Yes, it's a mixed run)*. This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
