Run: 2489

Date: 24 October 2019

Hare: Kissinger

Runsite: Shamrock Beach, watertank

The troops gathered to set Kissinger's run, reinforced by Texas Bullshitter and Texas Tits. No Choice and Pimp were my brigade. We knew that it was likely to pour down in the evening and the light would fade early so we decided to do the run mostly on track.

We set off towards the back of the Chinese Shrine and turned left. Climbing the terraces higher we were able to bypass the construction site altogether and then we continued up on the path. It was wet, soggy and slippery!! The path was also overgrown in many parts and unrecognisable.

Instead of turning right and climbing we went down, crossed the stream and

carried on up the middle track. Up and up we climbed, huffing and puffing until we reached the top of the ridge. At this point we heaved a sigh of relief as it was all downhill from here!! There was to be no respite however as it felt like we were sliding down a mud hill trying to find anything to hold onto to prevent ourselves from tumbling over and over. It was tough going! Eventually the runsite came into view and so did the rain as it began to pelt down!!

In the evening the brave ones arrived and did the run in the rain. The Shrine personnel were once again so kind to us by allowing us to shelter under the canopy and even turned on the lights. Such wonderful, friendly people! Thank you.

A big thank you to the Hare for his generosity in hosting! The home cooked food was delicious and plentiful and though the run was wet and slippery I think all who did it enjoyed the challenge.

Thank you to all who turned up on the night in such weather and for staying and making it a successful evening.

Circle

1. Just as we were about to start the circle who should turn up after many months of being away none other than Biking Sheila. So she was first on ice to say welcome back!!
2. As one member arrives so others leave. The next on ice was Fancy Pants who is now returning to Germany and will not be back until sometime next year. Please note that he is also the first to pay his subs for 2020!! That's dedication for you.

3. Fancy Panties was next to also say Bon Voyage and for doing the driving whilst here to prevent Fancy Pants from having another accident!!
4. A CFTF by Pimp saw the GM on ice. The charge was for sending a text message the day before saying meet at Shamrock 10.30 to set the run and for calling him a Dodo when he asked why??

Hash House Harriets Penang

5. Another CFTF by Iceman saw Botak Chin on ice. The charge was he being an Australian but trying to switch nationalities to being a New Zealander after Australia lost to England in the Rugby World Cup. (Wouldn't have done him any good anyway as New Zealand lost to England in the Semi-final..Ed!!)

6. Hare on ice! Thank you Kissinger for the evening's hosting. It was a good, slippery run, great home cooked food and a lovely friendly atmosphere.

The Diwali Run has been postponed and will now be on the 14 November at Bee Gallery. Akz Hole has once again agreed to swap his run to accommodate the necessary change and so we thank him for that.

Funnies

If you ever see me running, run like hell too. I'm far too lazy to be running without a good reason.

He who wakes up early, yawns all day long.

If a man said he'll fix it, he'll fix it. There is no need to nag him every 6 months about it.

We got divorced on the grounds of religious differences. My husband thought he was God.

It is a truth universally acknowledged that your urge to pee intensifies as you are unlocking the door.

I had loads to do today. Ah well, so now I have loads to do tomorrow.

I am an example to others. A bad example.

Men with piercings are ideal marriage material. They are not new to pain and they have experience with buying jewelry.

Whoever said "nothing is impossible" clearly never tried slamming a revolving door.

Promises are like babies... They're fun to make but hard to deliver.

Dear GM & On Sec,

In the true spirit of Hash and warm friendship, it is my pleasure to invite you and your members to our Celebration Run to commemorate our Club's 17 years of Hashing together with the Joint Run for Kedah/Perlis Chapters.

We last celebrated in 2013 in Danok, Thailand and it's opportune to once again have the privilege to host Hashers and Harriettes no matter where you're from. *(Yes, it's a mixed run)*. This time we celebrate on our homeground in Sg. Petani, Kedah.

We also humbly solicit your support by way of donations/sponsorships and advertisement.

So let's come together once more for joyous, fun and friendship. My members are looking forward to celebrate with you. ON ! ON !

Yours in Hash
