## GM's Note's

*Run: 2502*

*Date: 23 January 2020*

*Hare: Huge, Greasy Palms*

*Runsite: Mount Pleasure*

It was just before CNY and the Hare was pleasantly surprised with 20 members, 7 guests plus 1 invitee, Yolanda, who is the Hare's daughter and co-hared.

With the exception of Toddy Tan, guest Olivia was the only other Chinese member to do the run. The Hare cautioned the dry shaley soil was slippery and to take extra care going up or down the slopes.

Since I did not set this run I decided to do it and No Choice kept me company, taking our time going up, down and around the slopes. We knew it was a short run and fully expected to see some FRBs passing us on a second circuit but none did surprisingly and on we went. The trail went up and down familiar paths as we

manoeuvred back to the run site via Shamrock. A few months ago we were complaining about wet surfaces and now we complain about the dry slopes. By the time we got back to the run site all were back with the exception of Puki Merah and Olivia. It was getting towards circle time when they emerged and a grateful and knackered Olivia wanted nothing but 100+ to rejuvenate her. It was a good run set by the Hare himself together with Yolanda and Puki Merah. No steep climbs but enough of a sweat to make it most enjoyable. Thank you to Hugh for hosting the evening, setting the run, providing the food and for subsidising the beer. It was a most pleasant evening and many stayed late chatting and drinking beers much to Samy's delight.

*Next Week we are at Tembaga Waterfall,  
for Speedhound's Run,

# Hash House Harriets Penang

We have had some resignations from the Club this year and so the hareline is being re-jigged. In which case runs dates will have to be changed at short notice especially in the early part of the year. I hope you will understand and accept the changes.

SUBS FOR 2020 are due!!! Please pay early so that we know how many members we have and can fix the hareline as mentioned above. If you are not going to be a member this year we would also like to know. Many thanks.

GONG XI FA CAI to all.

## Circle

1. First on ice was guest Olivia who today did the whole run and albeit was slow she finished the whole trail. Kudos to her!!
2. We then welcomed Luca as our latest new member. Welcome, welcome to the Harriets and long may you run with us.
3. Olivia was then called out again by the GM as a representative of the Chinese to receive our GONG XI FA CAI.

4. The remaining guests were then welcomed. Harvey Whorebanger, A-pox-a-lips and ex member Woodpecker. Darrel, Sarah and Moira had already left.

5. A CFTF by General saw Speedhound then take to the ice. Apparently on the last THK run Speedhound successfully tried everything she could to not sit on ice but General got her at the Harriets!!

6. Hare on ice! Many thanks to Greasy Palms (Huge) for full complement of setting the run, providing the food and for subsidising the beer. It was a lovely night and so good to see the Members turn up.

## Funnies

I saw this sweet poor old lady fall down the stairs and hurt herself. At least I assume she was poor because I didn't find more than 3.50 in her wallet.

Here, I bought you a calendar. Your days are numbered now.

Where do fish sleep?

In the RiverBed.

Talk is cheap, yeah? Have you ever talked to a lawyer?!

If I got 50 cents for every failed math exam, I'd have \$ 6.30 now.

I called the hospital but the line was dead.

A woman complains to her mother, "I had this big fight with my husband Joe and at the end he just told me to go to hell."

Mother frowns, "Oh, and so you came to me, huh?"

I heard women love a man in uniform. Can't wait to start working at McDonalds.

Do you know a tree's favorite drink? Root beer!

Do I lose when the police officer says papers and I say scissors?

What did one plate say to his friend?

Tonight, dinner's on me!
