## GM's Note's

*Run: 2504*

*Date: 6 February 2020*

*Bunny: Grandma*

*Runsite: Charlie's Market*

No Choice, Texas Tits and myself set the run for Grandma last Thursday. Knowing the trails around Charlie Market it was a matter of which route to take to make a good run for the evening. Going up the steel steps now seems to be the only way in these days and so that was the start. Going past the graveyards we entered the bush once again and followed the path up to the first plateau where we decided to go down on the left side. I was looking for the stream to guide me but forgot the effects of the dry season. Sliding down on our bums to prevent falling and hurting ourselves we took our time skirting as the long On Up was ahead and it was hot!

Climbing up we exited onto the path that would have taken us to Bee Gallery but we climbed higher towards the top of Mt Olivia where we had quite a shock, as the place was littered with papers from the different Chapters like confetti at a wedding! We chose the down trail and began following. Midway we turned right and took a long slow on down to exit onto the Hash Highway. From there it was a zigzag way back to the runsite due to the construction on the slope.

In the evening the Bunny arrived along with Snow White and the gathering Hashers. After the usual introductions and information off they colourfully went up the stairs and disappeared from view. Iceman returned just under the hour quickly followed by guest Karrlein and then Luca. The rest followed after that. The food, Chicken/Pork rice was served and unfortunately the Bunny reluctantly had to leave as Snow White needed to be taken home but we continued with the evening some staying well into the night.

Many thanks to Grandma for the evening's hosting. She is our oldest member and what an inspiration she is to us all.

*Next Week we are at Bee Gallery,  
for our Chinese New Year's Run,  
Please come and support*

Please inform the On Sec a.s.a.p. where your run will be

**Please respect the environment which we enjoy each week and ensure that no rubbish is left at the site, including cigarette butts, scraps and general litter. Thank you.**

I'm sorry if you think your run has come around very quickly but it cannot be helped since we have more leave than join and of those leaving a number had runs early in the year. We are also adding in a number of Committee Runs to stretch out the run frequency.

SUBS FOR 2020 are due!!! Please pay early so that we know how many members we have and can fix the hareline as mentioned above. If you are not going to be a member this year we would also like to know. Many thanks.

## Circle

1. Welcome to the guests. Karlein and Kali.
2. Welcome also to Eric @ Banana Man who became our latest member.
3. A CFTF by Biking Sheila saw General Tojo on ice in recognition for his gal-lant deed in rescuing her the other evening when she had a flat tyre on her bike. Chivalry is still alive it would seem!!
4. Another CFTF this time by Take Care saw the GM on ice. Take Care's run was the last of 2019 and he had asked the GM to help set the run. Unfortunately the GM was out of the country at the time as was most of the Committee and he was "unhappy" about it.

5. A further CFTF by Biking Sheila saw the GM remain on ice. This time for the fact no committee members were present at Take Care's run and that she had to sit on ice as a lookalike in representation.

# Hash House Harriets Penang

6. Since the Bunny had had to leave early the chief hare and her co-hare were called to the ice. Since the GM was chief hare she was kept on the ice for a third time whilst No Choice joined her. (Thanks also go to Texas Tits for helping to set). Many thanks to Grandma for the evening's hosting as well.

## Funnies

The guests in this hotel are always stealing soaps, shower gels and shampoos from their rooms.

Dirty bastards!

“I want to win 10 million in the lottery, just like my dad did!”

“OMG, your dad won 10 million in the lottery?!”

“No, but he always wanted to.”

What do you call somebody who keeps abandoning their diet plans?

A deserter.

Your shit is my daily bread.

Michael, 36, Sewage worker

Wherever I go, I'm greeted with much warmth.

Derek, 53, Fireman

You're becoming a vegetarian? I think that's a big missed steak.

Where do cows like to go in their spare time?

In the Muuuuuuseum.

Do you know how they make holy water? They boil the hell out of it!

Velcros are just a big rip-off.
