GM's Note's

Run: 2508

Date: 5 March 2020

Bunny: Committee

Runsite: Charlie's Market

Well the AGM has come and gone and off we go again, forward and upward, with the new Committee in place. I do thank all the outgoing Committee for their work during the last year. Sometimes it is a thankless task but because we have some dedicated members who help to run the Club we are able to go forward each year because of that dedication. Without that we would not have a Club that is 48 years old and heading for 50! So my deepest thanks to you. I also thank those who may be non-committee members but who also help out when needed. Again when the going gets tough, the tough get going so thank you all.

Hash House Harriets Penang

We had a successful year and although we lost members at the yearend we have gained more and especially younger and definitely fitter female members. It is good to see the number of females increasing once again and we look forward to a long association with you all.

Finally many thanks to all the Members for your continued support and trust in the Committee to run the Club on your behalf. I look forward to serving you all again this year as GM and let's have a great fun filled year of hashing.

As to the AGM run it was messed up due to missing paper which must have been by someone picking it up. The run was actually set on the Wednesday by Bibi Tulips, No Choice, Texas Tits, Texas Bullshitter and myself. The construction site was in full swing so we did a detour to bypass it altogether. Our trail was up the steps, passed the cowshed, along the gravestones and into the bush. At the bush we went along the path before going down towards an Indian Shrine, climbing up and down again to the Hash Highway. The trail then went left along the Hash Highway before climbing up to Mt. Olivia and to the old On Down trail back. I think it was at this point the paper went missing and hashers went right instead of left on the Highway thinking it was the end of the run and headed home for a very short run! But there was no paper laid to the right so who knows what the Hashers were thinking! Nevertheless most had a good sweat and all returned well before dark to chat and quaff a few beers before heading to the market restaurant for a very good dinner.

Funnies

A chicken and an egg are sitting in a psychiatry's waiting area. A nurse comes out of the office and asks, "So, who of you came first?"

"Oh for crying out loud! Not here, too!"

I heard some pretty juicy rumor about butter. But I decided not to spread it.

What do you call a deeply religious cow that just performed a miracle?

HOLY COW!!!!

Two weirdly dressed strangers knocked on my door yesterday. They insisted I need to be saved, by God!!! Told them to buzz off and bother somebody else. Ruddy firemen.

A bra is a uniquely democratic tool. It empowers the small, it supports the big and keeps the masses together.

A guy trying to rob a disco: "Everybody, hands up in the air!"

Everybody: "YEAAHHH!!!! Wooohhooooo!!!"

You know that famous joke about the side walk?

Man, it's all over town!

What is a vampire's favorite fruit?

A necktarine.

Some bastard hit me in the street yesterday and ran off with my limbo stick.

I mean really, how low can you go?"
