GM's Notes

Hi All,

Well what to say?

As expected and especially since the spike in cases around the country, the RMCO has been extended until the end of the year. It was not unexpected but it is a sad thing that we cannot yet get the Club back up and running and get everyone together once again. Let us hope that our sacrifices today lead to a better tomorrow for all of us.

As such, I am sorry to have to say the Club activities are still in suspension until such times as the RMCO is lifted or rules are relaxed to allow our gatherings to take place safely and within the law.

I know many of you are doing "Your Thing" but if anyone wants to set a run or do a run please let me know so that we can help to ensure proper procedures and safety. However large numbers would not be possible.

I wish you all a Happy Merdeka.

Stay Safe. Stay Healthy.
