## GM's Notes

**Hi All,**

**Well the year is coming to an end and what a year it has been!! I don't think that anyone of us thought that this pandemic would last so long or have such an effect on all our lives but it has and certainly on our hashing activities.**

**Currently, because of the day we run and the time, it is very difficult to hold any activities without falling foul of the SOPs in place and so for the time being we are still officially suspended. We do hope though that we may be able to start again early next year but the decision is not in our hands. Some good news though is that the Committee has decided that no subs will be payable by existing members for 2021. So you have an extra RM80 to spend at Christmas now!!**

**Attached to this newsletter is some news regarding a 100Km hike being done by Arsetrologist and Greer just after Christmas. Please read through the piece and support them in this well intentioned trek for Charity.**

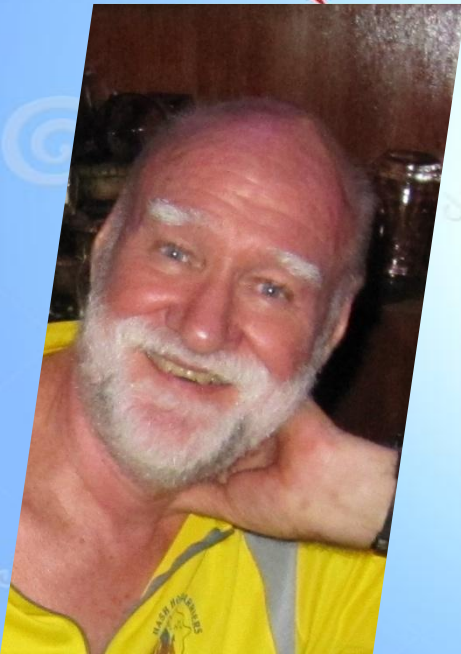

**I wish you all a Merry Christmas and (let's hope) a healthier 2021.**

**Stay Safe. Stay Healthy.**

**Jesbir.**
