Hash House Harriets Penang

GM's Notes

"No Choice's run on Thursday started from the lane to the left of the playground . We usually come back by this path. We climbed up, crossed the Hash Highway and started to climb again. This is a trail we have done in bygone days and it's good to see the track still well marked. We climbed up to Mt. Olivia, before going down towards Charlie Market. Turned left towards the Indian shrine and it was then the question on most people's mind was "are we there yet?". On and on the track took us on bygone days trails as we meandered along round corners, climbed up and down to finally emerge to cross the Hash Highway again and onwards back to the runsite.

Nellie @ No choice had a spread laid out on the table to tempt the tired hashers as Sammy our beer man sold chilled beers. A great evening with 20 like minded gathered and just as our stomachs groaned with so much food, dessert was served.

A big thank you No Choice for the hosting and run as well as a new named runsite, **No Choice Corner**.

Next week we are at the Chinese temple @ FTAC corner, Island Glades. See you and On On.
