## GM's Notes

Hi Everyone,

Just a recap of our May programme where we had 4 runs:

1. Mission Impossible at FTAC Corner
2. Arsetrologist at Waterfall Rd
3. Akz Hole at Batu Gantung
4. Toddy Tan at Tembaga Waterfall

And the great thing about these runs is that they were all at different places that we haven't run since before the pandemic. How nice to be back to these old haunts and to run different hills once more. It was also good to see MI once more after so long. I hope to see you more often now things are getting back to "normal".

On saying that, welcome back to Botak Chin and Miss Bollywood after their long enforced sojourn in Australia and another warm welcome to Nioh who, although has been a member for a little time, has also just returned from overseas once more to join us and a big welcome to new member Francis Teh @ Cocktail.

I must admit that although our numbers are down on previous years in total membership I am enjoying the wonderful company of those that are turning up each week to support the Club. Whilst numbers are increasing with new faces it is the stalwart old members who have been to the fore and I thank them for their continued support. I feel we have a good group amongst us who blend well together old and new and It is a delight to be part of such a friendly and open Club. Keep it up.
